PROFESSIONAL EXPERIENCE & PROJECTS

Junior Video Editor

Project-Based / Freelance (1 Year) | Tamil Nadu, India

- Accumulated 1 year of hands-on experience managing end-to-end post-production workflows for digital content creators, delivering high-quality, polished video assets.
- Utilized strategic A-Roll and B-Roll sequencing over a year of diverse projects to construct compelling narratives, maximizing viewer retention.
- Designed keyframed transitions and text animations in After Effects to elevate overall visual appeal.
- Engineered professional audio experiences through multi-track sound design, SFX integration, and precise audio synchronization.
- Applied advanced color correction and cinematic color grading to enhance mood, visual depth, and aesthetic consistency.
- Collaborated closely with clients to optimize visual storytelling strategies, ensuring final delivery aligned perfectly with project goals.

EDUCATION

Islamiah College (Autonomous)

Graduation: 05/2026 | Vaniyambadi, Tamil Nadu

B.Com (Computer Applications)

- Actively worked with the Computer Applications department, contributing video editing and design support for departmental events and academic initiatives.
- Collaborated with faculty and peers on department-led projects, applying Premiere Pro and After Effects skills to real institutional requirements.
